## HAZET Safety-Insert-System (SIS)

- **Safety and organisation for your workplace**
- Perfect organisation system – so you can keep track of where your tools are stored
- Save time by having your tools easy to find and access
- Recessed grips for rapid tool removal
- Quick and reliable completeness check – the two-coloured soft foam insert clearly shows where tools are missing
- Precisely milled recesses hold every tool in place and prevent it from wobbling out of place. Optimum fit and space utilisation
- Effective protection against dirt and impact keeps your tools in perfect condition
- High-quality, durable PE foam (polyethylene foam) without chemical vapours. Resistant to oil and chemicals
- Easy-care and simple to clean: brush under running water – dry – done
- For your tool trolley or work bench
- Unlimited combination options
- Number of tools: 10
