Product data sheet 9032-03 KU 6 EAN-No. 4000896226764

Application:

Universal use in metalworking on almost all materials. Deburring, rounding, levelling or machining contours

- Long service life and good cutting performance when used on diverse materials
- $\bullet\,$ Milling pin, spherical shape, \varnothing 6 mm
- For hand-guided or stationary drive machines
- According to DIN 8032

HAZET application tip:

- Use as high speeds as possible
- Contact surface between milling pin and workpiece should not exceed 30 % of the complete milling circumference
- Milling pins with 3 mm shaft
- Working length: approx. 13 mm (cylindrical and cone-shaped)
- Made in Germany

Order Number 9032-03 KU 6
