Product data sheet 2204 N E Lg-5 EAN-No. 4000896244010

Size 5 mm · 🕸 4 · O ·

- Extra long design
- Hexagon drive ISO 1173 C6.3 (1/4"), ISO 2351-3 C6,3
- Output: O
- Wrench size: 5 mm
- Dimensions: 89 mm
- For manual and impact operation

New HAZET bit range

HAZET screwdriver bits- A screwdriver bit for every situation

- Optimised torsion zone for best power transmission on the profile / screw
- Specially hardened material prevents the risk of premature breakage to the screwdriver bit
- Extra long service life due to perfectly coordinated geometries
- Equally suitable for manual and impact operation (also for impact wrench)
- Guarantees finding the profile fast due to distinctive HAZET colour coding on the screwdriver bit
