- Loading capacity at least twice as high as DIN
- **At least 25% longer** than comparable standard wrenches – for greater power transmission
- Better accessibility with low-lying screw connections
- Shank with extra sturdy double-T-profile
slim design
- **Extra long design**
- Surface: chrome-plated
- Made in Germany
- Output:
- Higher torque due to the long lever
means: **More power - less force**
 - Higher torque with the same effort
 - Less effort at the same torque due to long lever arm
- High HAZET competence in the development and production of wrenches for over 100 years
- Drop forged in dies developed and produced by HAZET
- High quality in development, production, and the materials used in all HAZET wrenches offer the user the greatest possible security and protection from injury, which means: before a HAZET wrench breaks at all, it warps and “signals” the significant overload to the user!
- Number of tools: 12
